Teton High Adventure Base

Parental Informed Consent Agreement

I understand that participation in climbing, rappelling, C.O.P.E., canoeing, whitewater rafting, pistol shooting, horseback riding, mountain biking and other activities at the Teton High Adventure Base includes an element of risk that could result in injury or death. In consideration of the benefits to be derived and after carefully considering the risk involved, and in view of the fact that the Boy Scouts of America is an organization in which membership is voluntary, and having full confidence that precautions will be taken to ensure the safety and well-being of my son/daughter, I have given _____ (name), my son/daughter, my consent to participate in all camp activities.

In case of emergency, I understand every effort will be made to contact me. In the event that I cannot be reached, I herby give my permission to the physician selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication to my child.
