2013 VARSITY TURKEY SHOOT

Great Salt Lake Council **Boy Scouts of America**

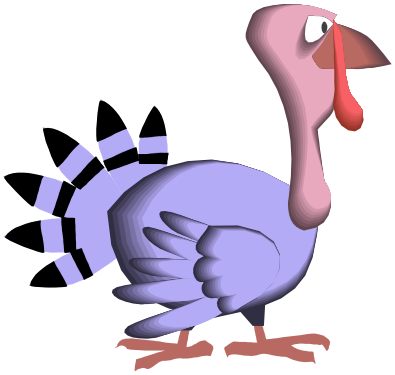
October 12 2013

What is a Turkey Shoot?

Each team will consist of five members. One member may be an adult leader. Each shooter will shoot at twenty-five clay pigeons. The shooter will fire one round at each target. Targets are provided; however, **each participant must provide his own shells .** We will provide guns or you can bring yours. Sharing of guns at the event slows down the process. Shot gun shells are **NOT** available for purchase at the Lee Kay Center.

How to Register?

Teams may register in person at the Council Service Center or by calling (801) 582-3663. Once your team is registered you will receive a shooting time and shooting station. On the day of the event we will hold your shooting time for ten minutes. If your group does not arrive within that time, we will give your time to another group. Those who register on site will be accommodated as space allows. Please arrive twenty minutes before your reserved time. **Registration deadline is October 8, 2013.**



No turkeys are harmed during this event.

If your LDS stake would like to sign up for this event, please provide a separate unit number for each time slot reserved. DO NOT register your entire stake under one unit number.

Practice

We suggest some teams practice before the Turkey Shoot. This will not only increase your chances of scoring well for prizes, but will also give you an opportunity to learn gun safety in a less crowded atmosphere.
