Adult Membership Inventory Worksheet - Combined Cub Packs

1. Use one column for each Pack (or Ward) being combined. The Institutional Head (IH) must be unique for each Pack (or Ward), as should the Charter Organization Representative (CR or COR) for each Pack (or Ward). The remaining positions should have the same persons name across all columns being used. Enter an "X" in the Paid column of the leaders home Pack (or Ward), indicating 1) where payment will be credited, and 2) what Pack (or Ward) has responsibility for getting an application from that person (if needed). Where ever the same person's name appears without the "X", that Pack (or Ward) will register that person as a "Duplicate or Multiple Registration", and no fee will be required. If a Pack (or Ward) registers a new leader with an application, a photocopy of the original application page and the "Acknowledgment & Authorization" page should accompany the other Pack charters.

All combining Packs should have a copy of this finished worksheet for reference in Rechartering!

2. Print names neatly in all boxes that apply. Use first and last names. Please don't use ditto signs, "same", partial names, initials, or dashes indicating repetition. This worksheet helps determine how much your Stake will pay for registration and it must be legible to others.
