Horseback Riding Belt Loop

Requirements for the Horseback Riding Belt Loop

Complete these three requirements:

1. Explain five safety precautions for when you are near a horse.
2. With help from an experienced horse handler, demonstrate how to safely mount and ride a horse and then how to safely dismount the horse.
3. Go on a supervised horseback ride for at least 20 minutes. Wear an approved helmet (such as one approved for horseback riding by the ASTM, or American Society for Testing and Materials).

EXTRA! EXTRA!
We need Help on Roundtable Staff!
The more leaders we have less is required

Share your Cub Scouting Knowledge with other Leaders. We have multiple positions to fill.

- It only requires 2 evenings a month (2nd and 3rd Thursday's) plus planning time for your class.
-Also, once a year we have a FUN Summer Event that you need to help out with and the District Pinewood Derby.

That's it! Not much time and you become an instrument in preparing the path for hundreds of outstanding future leaders.

REMEMBER, IT IS ALL ABOUT THE BOYS!
