All boys **MUST** be in official uniform before moving to the campsite. Pack must be used for getting gear from the bridge or outpost camp to the campsite. Participants must not use suitcases, footlockers or trunks at the campsite. Normal prescribed patrol equipment will be issued.

* Participants may purchase Silver Moccasin hats at Parents' , at camp or use any official BSA hat.

NOTE - PLEASE BE PREPARED FOR COLD WEATHER. An extra blanket to go in your sleeping bag, pad and a winter coat are desirable items to have. The Uintas can be terribly cold at night – even in the summer. It is not uncommon to have either rain or snow (or both) during the course.

INSIGNIA - Before coming, see that all badges and insignia are properly placed on uniform.

Valuables – Please do not bring valuable items to camp. For this reason we request that you DO NOT bring non-disposable cameras, any portable music players, cell phones, pagers, jewelry, binoculars, collectable scout gear, expensive camping gear or any other valuable or non-replaceable item. Please MARK all items with your sons name on them.

Money – We will have a store (Trading Post) where your son can purchase candy, small craft items and a Silver Moccasin Hat. Spending money is totally optional. We will provide all of the food and craft items. Please do not send more than $20.00. Small Bills (1's & 5's) are appreciated.
