Positive Attitude

Rockets Red Glare

Being cheerful and setting our minds to look for and find the best in all situations. As boys participate in various activities, they will come to understand that all things change and they can make a difference in how that change affects their lives. A positive outlook will provide hope and excitement for their future.

MONTHLY HIGHLIGHT

Cub Scout Outdoor Activity Award

This award recognizes the Scout for taking part in outdoor recreation and conservation projects. Cub Scouts can earn the award in each of the program years as long as the requirements are completed each year. The award is worn on the right pocket flap and pins may be awarded for each additional year the award is earned. Build on skills from the previous year when working on the award for a successive year. Requirements can be completed in den, pack, or family.

Positive Attitude does not mean that we lack troubles in our lives, it means that we live our lives looking forward with Faith that whatever happens positive in our lives is a blessing from a greater source, as we do what we can to help our fellow man and woman, to lift their burdens, which in turn will bring us joy and more self-confidence and a more positive attitude. The key to a **Positive Attitude** is Faith and Service.

Monthly Core Value

Ever wonder how to incorporate the monthly core value into your den and pack meeting?

Words To Live By - a true story Minute

Script:
Robert Louis Stevenson, the famous author of Treasure Island and Dr. Jekyl and Mr. Hyde suffered throughout his short life from respiratory illness and he spent many years looking for a climate that would cure him. He died of tuberculosis at the age of 41 and is buried on Samoa.
In spite of his considerable suffering he had twelve positive attitude tips that he lived by that I would like to share with each of you. They are still incredibly good rules to live by.

1. Make up your mind to be happy, learn to find pleasure in simple things.
2. Make the best of your circumstances. Everyone has problems. The trick is to make laughter outweigh the tears.
3. Don't take yourself too seriously, Don't think that somehow you should be protected from misfortunes that befall others.
4. You can't please everybody. Don't let criticism worry you.
5. Don't let your neighbor set your standards. Be Yourself.
6. Do the things you enjoy doing but stay out of debt.
7. Don't borrow trouble. Imaginary burdens are harder to bear than the actual ones.
8. Hate poisons the soul, so don't carry grudges, avoid people who make you unhappy.
9. Have many interests. If you can't travel, read about new places.
10. Don't hold post mortems. Don't spend your life brooding over sorrows and mistakes.
11. Do what you can for those less fortunate than yourself.
12. Keep busy at something. A busy person never has time to be unhappy.
    As each of you lives your life, remember his advice. Your attitude towards any given situation you encounter will almost always affect you far more than the situation. Attitude is everything in life.

Positive Attitude Minute

Script:A good positive attitude can truly change the way you approach life, and your future. Let me illustrate with a short story.

A few years ago, there was a wildlife organization out west that offered a bounty of $5000 for wolves captured alive.
Two friends, Sam and Jed, decided to make their fortune. Day and night, they scoured the mountains and forests looking for their valuable prey.
Exhausted one night, they fell asleep dreaming of their potential fortune.
Suddenly, Sam woke up a bit startled, and saw that they were surrounded by a huge pack of nearly 70 wolves with searing black eyes, and bared teeth. Low growls rumbling from their throats.
He slowly reached over and nudged his friend and said 'Jed, wake up! I think we're rich!'

Gentlemen, Sam had a positive attitude. I hope you do.
