Roundtable Spotlight:

Tom Lewis from the **Canyon View Zone** has been the Cubmaster for the Tri-Ward Pack for four years, and has served with tremendous dedication and sincere concern for the cub scouts and leaders that have worked alongside him. He was creative and enthusiastic when leading a cheer or conducting pack meeting. He spent time with the boys at summer camp to get to know and support each one of them. He was always prepared and committed to do an exceptional job. He always has gone the extra mile while being cheerful. He is on to other noble tasks and assignments and will keep serving others.

BELT LOOP

WEATHER

1. Make a poster that shows and explains the water cycle.
2. Set up a simple weather station to record rainfall, temperature, air pressure, or evaporation for one week.
3. Watch the weather forecast on a local television station. Discuss with an adult what you heard and saw. Follow up by discussing the accuracy of the forecast

SCHEDULING AND PRIORITIZING

Scheduling is listing those things that must be done to reach a goal or accomplish a task.
Prioritizing is placing the activities in an order that is most beneficial.
Here are the steps for making scrambled eggs:

1. Put butter in a pan
2. Break the eggs into the pan
3. Stir with a spoon
4. Turn on the burner to medium
5. Cook the eggs until done

If you miss a step or put them out of order, you may not get the result you wanted

We are made wise not by the recollection of our past, but by the responsibility for our future. George Bernard Shaw

- Have a wheelbarrow race where the parent holds the child's feet up and then the child slowly hand-walks forward
- "Sweep the Stables" with a game of broom hockey
