ROUNDTABLE HILLCREST ZONE

SPOTLIGHT: Jerrick Mitchell has been Cub Master in the Hillcrest zone for the past three years. He has always been able to fully involve all of the family members attending his Pack Meetings. Jerrick is creative and resourceful in his planning of all the activities. His wife, Jeniece, has recently become a Webelos leader and they are both outstanding in keeping the pack's records. Jerrick has also gone out of his way to help with training in the Hillcrest zone by providing video equipment for the PowerPoint presentations. His willingness to help is greatly appreciated.

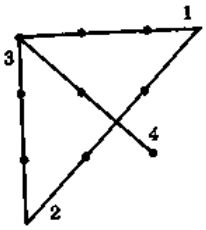
BELIEVING

● ● ●
● ● ●
● ● ●

Starting in the Left hand corner, Draw 4 straight lines, without lifting your pencil, and go through each of the 9 dots.

This demonstration looks hard and after trying it, many children may say it is impossible. When faced with a difficult task think of different ways of solving the problem. Believing that it CAN be done is the first step towards success.



"When we treat people merely as they are, they will remain as they are. When we treat them as if they were what they should be, they will become what they should be.

Thomas S. Monson,

BELT LOOP
