He's a Life Scout Now What?

1. Meet with the Scout and review his plan of action for Eagle.
2. Locate the Eagle Project workbook and show scout how to use it. Check the Council Web Site or See the following link: http://www.doubleknot.com/openrosters/DocDownload.aspx?id=105150
3. Be sure that scout completes the contact list. Assist them in obtaining the information on District Contact.
4. Help scout to begin to prepare his project.
5. Once project has been decided on scout needs to get approval from Troop Advancement chair or Troop Committee chair, the District Committee member from their zone (information available at the following link: http://www.gslc-bsa.org/document/district-11-advancement-committee-list-8-2013/132837) and the representative from the group benefiting from service project.
6. Review with scout needed merit badges for Eagle based on list of merit badges that the scout has already earned.
7. Fill out application for Eagle Scout located on BSA Website at the following link: http://www.doubleknot.com/openrosters/DocDownload.aspx?id=105151
8. Obtain the needed signatures: Signature of Scout, Signature of Unit Leader, and Signature of Committee Chairman.
9. Complete project and project final report and send to Council along with the application. Please be sure that scout prepares a goals and ambitions letter and attach to application.
10. Council will then verify all of the information on application and then return it to the District 11 Advancement Committee Chair.
11. The application will then be forwarded to the Zone Committee member.
12. The committee member will contact and set up Board of Review for candidate.
13. Following Board of Review, application will be returned to council who will forward it to National.
14. Documents should take between 4 and 6 weeks, scout will receive a postcard noting that their application has been returned and that they can pick up their badge set.
