CORE VALUE FOR JANUARY
Resourcefulness

✓ **Resourcefulness:** Using human resources and other resources to their fullest. Through participating in the pack recycling projects, boys will gain an understanding of the ways to utilize available resources to accomplish tasks. They will learn that one of the ways to be resourceful is using their imaginations.

Character Connection
Resourcefulness

- Hold a talent show.
- Scrap Craft – make something from items you would normally throw away.
- Invite a teacher, handyman, or other person to tell how they are resourceful.

You can always find a capable helping hand at the end of your own sleeve.

Roundtable Spotlight
Sandy Central Zone has many hard working and dedicated scouters. Some have been doing scouting a long time. Some even have two or three jobs in scouting. We appreciate their efforts. One of these scouters is Barbara Elkins. She has been a Bear and Wolf leader and has been a Webelos leader a long time. She is a mother of four children, has been trained in wood badge and has worked in women's and youth organizations.
