  Boy Scout Leadership Training offered by the Great Salt Lake Council as part of the National Youth Leadership. JLT and is now synchronized with the Wood Badge Syllabus. Youth leaders trained through NYLT return to their units with the same or similar skills as those taught to adult leaders at Wood Badge. Imagine an adult Scouting leader and a youth leader both trained with the same skills leading a unit. The synergy is there to make a bigger difference in how your unit will function. This is an excellent Leadership Training experience for SPL, Patrol Leaders Council and Varsity Youth Leaders.
