District Klondike Campout

Thank you to all those who were involved in the Klondike camp in January. It was well attended and the weather gave us some interesting challenges.

We did receive snow during the campout and some vehicles struggled with the road conditions. It was nice to have the comfort of cabins for the event. We hope all enjoyed the winter outdoor experience and the various events.

Thank you for the memories

Change happens in our lives and it is happening in my mine.

After nearly two years as your District Chairman, events have taken my wife and me to Utah County and a new direction in our lives. As a result, a new District Chairman will be voted on at the recognition dinner this Thursday evening.

I have enjoyed my time in your service and the various events and meetings where we interacted and worked to improve the Scouting program for the young men in West Jordan.

I have made many friends and I hope we continue to cross paths in the future. The Golden Eagle district will be in my memories. Thank you.
