Please note that additional projects and supplies may be available at camp, particularly in the areas of leatherwork and wood carving.

Basketry Merit Badge

(Taught at Camp Frontier, Camp Tomahawk, Camp Steiner and Bear Lake Aquatics Base)

This badge requires the completion of three projects: a round basket, a square basket, and a woven seat frame.

For this badge, we offer a complete kit containing these three projects.

Wood Carving Merit Badge

(Taught at Camp Frontier, Camp Tomahawk, Camp Steiner and Bear Lake Aquatics Base)

This badge requires the Scout to demonstrate various techniques on a piece of scrap wood, to create a simple carving in the round, and to create a simple, low-relief carving.

The kit for this badge contains three pieces of basswood cut specifically for each requirement:

Sample Stick - 1 x 1 x 6
Carving in the Round - 1 1/2 x 1 1/2 x 2 1/2
Low Relief Carving -- 3 x 3 x 3/8

Retail Price: $3.99
Pre-Camp Price: $3.00

Some Scouts have preferred to complete a commercial neckerchief slide as their carving in the round. A selection of slides will be available at camp for $3.99. This fulfills the carving in the round requirement. We opted to make the blocks available for pre-order as a more economical solution.
