DAY CAMP ADVENTURE

Great Salt Lake Council

BOY SCOUTS OF AMERICA

What is Day Camp?

Day camp offers a two-day camp experience for Cub Scouts and Webelos Scouts.

Cubs and Webelos come to day camp with their own den and leaders.

Day camp provides boys with age-appropriate activities that support the den program. Frequently, these activities help boys as they work toward rank advancement.

Day camps are organized into program stations. Each station features a specific activity. Most activities are designed to require hands-on, active participation.

Day camp provides boys the chance to learn, play and share. Most importantly, day camp is fun!

Why day camp?

BENEFITS OF ATTENDING A COUNCIL DAY CAMP

Many units do not have access to the equipment and experience needed to provide a safe, memorable day camp experience.

Council day camp programs provide:

- Nationally-accredited programs
- Trained, certified staff
- Necessary equipment

Great Salt Lake Council programs can ease the preparation and coordination needed to provide a great day camp experience.

To become their best selves,boys need to occasionally escape life's noise, leaving behind television, mp3 players and video games, so that they can hear the voice within themselves.

Summer camp programs provide the opportunity for fun, adventure, and comraderie. A boy learns about himself as he faces challenges, learns skills and develops friendships.

The opportunity to complete achievement and elective requirements toward rank badges is an important element of day camp, but should never be confused with its real purpose.

Day camp provides age-appropriate adventure for boys. It is only the first step on a Scouting journey that will help a boy develop self-confidence, self-reliance, interpersonal skills and gain greater spiritual self-awareness. These lessons provide a basis for a successful life of service to God, family and country.

Participation Requirements

Registered Cub Scouts and Webelos Scouts (7-10 years old) can participate in day camp.

Additionally, Cub Scout Twilight camps are open to youth from other youth-serving organizations, including girls, between the ages of 7 to 10 years old.
