Scouting for Food efforts

Thank you to All involved

On Saturday, March 28th, our district supported the Scouting for Food efforts. Here are some details:

✓ 56 units were involved in collecting food

✓ 1,021 boys participated in delivering bags and picking up food to bring to drop-off location

✓ 426 adult leaders helped these boys

✓ 34 pallet boxes were filled with food and carried away in two trunks and two large trailers

✓ Several young men and leaders helped at the drop-off location to load the food pallet boxes

Special thanks to Keith Day and Curt Mills for organizing our district effort and for other leaders who helped to check in units and direct traffic at the drop-off location. It was a combined effort all across our district with much success.
