

ROCK STAR PETS

**762 North Main
Tooele, UT**

The newest and coolest pet store of Tooele County would like to invite all units of the Deseret Peak District to come visit their new store.

Come take an after hours tour of the pet store and see what happens “behind the counter”. During the tour, the boys will learn a little bit about each animal, have a chance to handle them, and learn about basic care of the animals.

Boy Scouts can work towards earning the Pets Merit Badge.

For more information or to schedule a time to visit the store, please call Charles Prows at 801-910-4888.
