Frequently Asked Questions

What is NYLT?

The National Youth Leadership Training is an exciting program developed by the Boy Scouts of America. NYLT was designed as the Council component of youth leader development as part of Youth Leader Training. Units now should train their youth leaders using the new Introduction to Leadership Skills (ILS) syllabus for Troops, Teams or Crews. When a young man completes ILS, he may then qualify to take the Council NYLT Course.

As an adult, how does NYLT benefit my unit?

The NYLT program was designed in partnership with Wood Badge and parallels the Wood Badge Syllabus. Youth leaders trained through NYLT return to their units with the same or similar skills as those taught to adult leaders at Wood Badge. Imagine an adult Scouting leader and a youth leader both trained with the same skills leading a unit. The synergy is there to make a bigger difference in how your unit will function.

What can I expect at NYLT?

The staff of NYLT is committed to making it a great experience. You will live in a patrol setting, where you will use your skills to lead and develop your team. The week concludes with each patrol developing and presenting their vision of the meaning of leadership.

What will I get out of NYLT?

Every participant will take home the self-confidence, skills, ability, and motivation to lead other youth and himself, through practical application of NYLT skills. You will learn skills such as conflict resolutions, stages of team development, how to teach others, and geocaching. You will set goals for yourself and your home unit, to share with your Scouting leader.

What is required to qualify to attend NYLT?

(National Youth Leadership Training)

Leaders, the more they will respond'

- Robert Baden-Powell

What are the boys saying...

- Be a currently registered as a member of Boy Scouts of America as a Scout, Varsity or Venture.
