#### **Perseverance**

Sticking with something and not giving up, even if it is difficult.

Boys will realize that they must continue to work hard in order to improve their skills in activities where they want to excel.

"Through hard work, perseverance and a faith in God, you can live your dreams."

~ Benjamin Carson (brainyquote.com)

**Hikes -** This is a great month to take your scouts on a themed hike. Give one a try:

**Tracking & Trailing** – One den stalks another

**ABC** – Write letters on a piece of paper - find objects, sounds or smells that start with each letter

**Heads or Tails** – Toss a coin every time you come to an intersection. Go left on heads, right on tails.

**Litter Hike** – Take trash bags and gloves and pick up trash. See who gets the most trash or the most unique items.

Color Hike - Find an item for each color

For great places to hike in the Salt Lake area, go to slcubs.com/den-leaders and open the **easy hikes** file in 201406\_den\_leader\_handouts.zip. For **theme hike ideas**, visit <a href="http://scouthelps.com/hiking-themes">http://scouthelps.com/hiking-themes</a> for more ideas.

#### I'm Happy When I'm Hiking

English hiking song (Original Author Unknown)

Tramp, tramp, tramp, tramp, tramp, tramp, tramp.

I'm happy when I'm hiking, pack upon my back. I'm happy when I'm hiking, off the beaten track. Out in the open country, that's the place for me With a true Scouting friend to the journeys end, Ten, twenty, thirty, forty, fifty miles a day.

Tramp, tramp, tramp ...

#### The 10 Outdoor Essentials:

(from Cub Roundtable Planning Guide)

Any time a Scout goes on a hike, he should always be prepared by carrying the 10 essential items that will allow him to survive in most emergency situations. For Cub Scout outdoor activities, the parent should carry some of the items (e.g. pocketknife, fire starter).

Pocketknife Flashlight or headlamp

First aid kit Trail food

Extra clothing Matches/firestarter
Rain gear Sun protection

Filled water bottle (1 liter) Map and compass

#### GSLC is hosting a Cub Scout

**GeoCaching Activity** for 2014. This would be a great way to introduce some outdoor fun to your program and help your pack and dens earn the Summertime Pack Award. For more info, visit the Upcoming

## **Horizon**

#### Cheers, Jokes and Run-ons

**Compass Applause:** Take your compass out of your pocket. Hold it in front of you to get your bearings. With your other hand, point to the person you are recognizing and shout, "WAY TO GO!"

**Triumph cheer:** "Try, try, try, umph (make loud grunting noise), triumph, persevere."

#### **JOKES and ONE-LINERS**

**Q:** Which pine would you say has the sharpest needles?

A: The porcupine

Bear bells provide an element of safety for hikers in grizzly country.

The tricky part is getting them on the bears. (http://www.carmelkid.com/one-liners.htm)
