### Marble Racer Gathering

Have the scouts trace or cut out pre-printed marble racers. (Cardstock would be best). Fold along the dotted lines and use tape to connect the tabs. Insert a marble and attach the opposite ends of the marble racer with tape. Race the marble racers down an inclined surface covered with material or a towel (so that the racers flip as the marble rolls instead of sliding down the inclined surface).

#### Cheers and Jokes

*(Baloo's Bugle – UsScouts.org)*

##### Cooperation Applause:

Each person stands facing another person. They give applause by each using only one hand and clapping with one hand of their partner.

##### Cooperate Cheer:

Divide the audience into four groups. Assign "Co," "Op," "Er," and "Ate" and have each group practice their part. Have each group say their part loudly as the leader points to them. Mix up the word for fun, but finish with saying the whole word, "Cooperate!"

##### Relay Clap:

First person claps second person's hand and then relay it on through.

##### Knock-Knock.

Who's there?

Heaven.

Heaven who?

Heaven the time of my life in Cub Scouts!
