2. Rudy's Flat. Start at North Canyon for 3 to 4 mile hike. Or Start at the Muller Park side to go to elephant rock (4 miles), and then continue on to Rudy's flat (6 and ½ miles). Or do the whole loop and come back across Bountiful Blvd for a 13 mile loop.
3. Kenny Creek trail, Starts on the North side of Mueller Park Canyon, Goes up to an old tumble down cabin in about 2.5 miles. And the trail does continue up to hook into the Great Western Trail, (which runs across the tops of the mountains east of Bountiful)
4. Antelope Island. White rocks bay trail. (Have to pay to get on the island). Can make a loop to get back to your camp.
5. Ward Canyon. More of a bushwhack. Goes about 5 miles up. There are a couple of old mines part of the way up.
6. Right along Skyline drive. About 8 miles up gets you to the Morgan Overlook.
7. Adams Canyon. Just past oak hills drive on 89. About 1.5-2 miles up to the waterfall.
8. Holbrook Canyon from the bottom. Park at the trail head parking lot just across from the Bountiful Temple. This is a good trail to show the boys Poison Ivy. There is a good sized patch at the beginning of the trail about 20-30 yards after you enter the trees.
