TROUBLE IN RIVER CITY

We need to have registrations for the ordeal this weekend. So far on 2 have done so. How about getting some from each chapter?

LODGE OFFICER ELECTIONS

If you have members of your chapter who are thinking of or planning on running for lodge office at the Summer Fellowship, please remind them that they need to turn in a Letter of Intent at LECM in April.

The form can be obtained from the Lodge Chief or I will be happy to email one out to any youth that requests one.

Service as a lodge office has many benefits not the least of which is a real hands on leadership experience.

Please get the survey done and in at LECM

Theme: *'007- a License to Serve*. This is a great theme and we will have a lot of fun with it.

We have just approved bus transportation for those who want it to East Fork. The space is limited. Once you have signed up you cannot get a refund, but you can transfer the seat to someone else. The Fee will be \$20.00 for transportation to and from the Fellowship.

First come, first served.

TAKACHSIN

For 20 years this course has given us outstanding lodge and chapter leadership. The staff is superb, the cost is low and the opportunity for growth is outstanding.

Every chapter needs to have at least 3 at the course. I will be calling you in the next few days to see who is going from your chapter.

Many of you tell me that you have difficulty getting the youth leadership you want - this is the place to start.

In addition to leadership skills there is a confidence that comes with the course that makes leadership and service an exciting activity for most of the youth that attend.

Now is the time to get that lined up before youth in your chapter plan other things in the summer.

THOUGHT FOR THE DAY

If you always do what you always did - you'll always get what you always got.

THANKS FOR ALL YOU DO
